**Mrs. T. A. Niven Released from Middletown by Habeas Corpus Proceedings.**

NEWBURG, Dec. 15.—Mrs. Thornton A. Niven of Monticello, Sullivan County, was discharged from the Middletown Hospital this morning by Judge Dickey. Mrs. Niven was a leader in social life at Monticello, and is the mother of Mrs. Jennie Lee Greene.

The troubles of her daughter so preyed on Mrs. Niven's mind that she suffered from acute melancholia, and about a month ago was committed to Middletown. Her brother, Lieut. Hobart L. Tremaine, United States Navy, retired, had her brought into court on a writ of habeas corpus. Her husband did not oppose her discharge, but Mrs. Niven elected to make her home with Lieut. Tremaine.
